Table of Allotments,

Digital Television Broadcast Stations.

(La Crosse, Wisconsin)

MM Docket No. 00-236

RM-10000

NOTICE OF PROPOSED RULE MAKING**Adopted: November 22, 2000****Released: November 24, 2000**

Comment Date: January 16, 2001

Reply Comment Date: January 31, 2001

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by QueenB Television, LLC ("WKBT"), licensee of station WKBT-TV, NTSC channel 8, La Crosse, Wisconsin. WKBT requests the substitution of DTV channel 41 for station WKBT-TV's assigned DTV channel 53.

2. WKBT states that its assigned DTV channel 53 is not within the core group of television channels to be retained for broadcast use following the end of the DTV transition period. WKBT contends that its station would be required to either switch its DTV operation to Channel 8 (its present NTSC channel) at the end of the transition period or shift its DTV operation to a totally new channel to be determined by the Commission. WKBT notes that the desirability of channel 8 for permanent DTV broadcasting is at this point uncertain owing to what may prove to be greater susceptibility of DTV reception to electrical noise on the high band VHF channels. Finally, WKBT requests that in order to preserve the option of continuing to broadcast on its transitional DTV channel after the transition has ended, as well as to obtain the propagation advantage of a somewhat lower frequency, the Commission adopt its proposal to substitute channels.

3. We believe petitioner's proposal warrants consideration. DTV Channel 41 can be substituted for DTV Channel 53 at La Crosse, Wisconsin, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (44-05-28 N. and 91-20-16 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel 41 for DTV Channel for station 53 at La Crosse with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
WI La Crosse	41	1000	446

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Present</u>	<u>Channel No.</u> <u>Proposed</u>
La Crosse, Wisconsin	14, 17, *30, 53	14, 17, *30, 41

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before January 16, 2001, and reply comments on or before January 31, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the

time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.
